

LAST MAN STANDING - 2021/22 - GAME 3 - ROUND 10

19th-20th February

Both the remaining two players came through Round 9 unscathed. Two different teams were picked in this round, giving another opportunity for either of the remaining players to win this game and take the pot.

Both selected teams featured in the Saturday 3pm games - meaning no anxious waiting on other results for both players! Aston Villa welcomed Watford to Villa Park - Ste Wilkinson was hoping for a Villa win to give him a chance but a 1-0 win for Watford meant the game was over for him. Brighton took on bottom of the table Burnley at the Amex - Paul Barlow had picked the Seagulls as his shot at the jackpot but a surprise 3-0 for Burnley also meant it was the end for him as well!

That means that the £510 prize pot is shared between Paul and Ste - I had half been expecting one of them to suggest splitting it over the past two weeks!! £255 each for them and the end of a game that seems to have been running for ever due to all the COVID postponements in December and January!
