

FANTASY WORLD CUP 2022
2nd December - Round 3

Table with 2 columns: Statistic and Value.
Rows: MATCHES PLAYED (48), GOALS SCORED (120), AVERAGE GOALS PER GAME (2.50), EXPECTED GOALS IN TOURNAMENT (160)

That's the group phase over. 48 games played - 16 games left to play.

You have now lost any players from countries that have been eliminated from the competition. I am not sure I'd it would have been possible to have managed to survive with 16 players - Shaun Sparkes has done the best with 12 players surviving with Philip Haigh only having 8 players left!

Next update will be after Tuesday when the Round of 16 has completed and we know the Quarter Final line up.
