

FANTASY WORLD CUP 2022
18th December - The Final!

Table with 2 columns: Statistic and Value. Rows include: MATCHES PLAYED (64), GOALS SCORED (195), AVERAGE GOALS PER GAME (3.05), EXPECTED GOALS IN TOURNAMENT (195).

And that's that - 64 games played and the final table is below.

As expected, Melvin Pool clinched the title, finishing with a 13 point lead in the end over Gisela Mowles. There was one change in the top places - Shaun Sparkes swapped placed with Michael Grierson (courtesy of Joško Gvardiol's goal in the 3rd place play off). Albert Au confirmed his 5th place to take the last money spot. Congratulations to all of the prize winners - I will be in touch!
